

Hedrin Treat & Go

Uses

Kills head lice and eggs without pesticides.

Dosage

Adults and children over 6 months: shake bottle well before use and apply straight onto dry hair. Work in and cover hair from root to tip. Hair can be dried naturally or with a hairdryer. Leave on hair for at least 8 hours then rinse and shampoo. Repeat process after 7 days. Children under 6 months should only be treated under medical supervision.

Format and Ingredients

Liquid
