

## Flexitol Heel Balm

---

### Uses

To relieve dry and cracked skin on the heels and feet.

### Dosage

Over 12 years: apply enough balm (approximately 2cm lengths of balm, rubbing gently into the skin) to cover the affected area once or twice daily, morning and night. If no substantial improvement is seen within 14 days, advice should be sought from a doctor or pharmacist. Under 12 years: not recommended.

### Format and Ingredients

Cream containing:  
25% urea
