

## Deep Freeze Cold Spray

### Uses

Works like ice to deliver an instant burst of targeted cooling for the back, neck and shoulders, legs and feet. Can be used with medicines and immediately after exercise.

### Dosage

Adults and children 6 years and over: shake can before use and always try on a small area first. Hold nozzle 15cm from affected area and spray in 2-3 short bursts up to 3 times a day. Wash hands after use. Children under 6 years: not to be used.

### Format and Ingredients

Aerosol spray containing:  
Pentane, Butane 75, Denatured Ethanol, Levomenthol,  
Peppermint Oil,
