

## Vizulize Dry Eye Mist

### Uses

Provides long lasting, soothing relief for dry eyes and the surrounding eyelid area. Helps to repair and maintain the lipid layer of the eye's tear film.

### Dosage

Hold spray 10cm from closed eyelids. Spray 1-2 times onto closed eyelids up to 4 times per day. Not to be sprayed into open eyes. Can be used without removing contact lenses.

### Format and Ingredients

Eye mist containing:  
Phospholipidic Complex 0.4g, Sodium Hyaluronate 0.1g, N-Hydroxymethylglycinate 0.006g, PHMB 0.001g,
