

## **Anusol Cream**

## **Uses**

Symptomatic relief of uncomplicated internal and external haemorrhoids, pruritus ani, proctitis and fissures. Also indicated post-operatively in ano-rectal surgical procedures and after incision of thrombosed or sclerosed ano-rectal veins. Provides lubricating properties for use with suppositories. Provides antiseptic, astringent and emollient properties which help to relieve discomfort associated with minor ano-rectal conditions. For topical application.

## Dosage

Adults and elderly: apply to affected area night and morning and after each evacuation as necessary. For internal conditions use rectal nozzle provided. Children: not recommended.
