

Deep Freeze Cold Spray

Uses

Works like ice to deliver an instant burst of targeted cooling for the back, neck and shoulders, legs and feet. Can be used with medicines and immediately after exercise.

Dosage

Adults and children 6 years and over: shake can before use and always try on a small area first. Hold nozzle 15cm from affected area and spray in 2-3 short bursts up to 3 times a day. Wash hands after use. Children under 6 years: not to be used.

Format and Ingredients

Aerosol spray containing:
Pentane, Butane 75, Denatured Ethanol, Levomenthol, Peppermint Oil,
