

Calendula Cuts & Grazes Skin Spray

Uses

A traditional herbal medicinal product used for the relief of minor wounds, cuts and grazes, based on traditional use only.

Dosage

Adult, the elderly and children over 6 years: spray 1-2 metered doses on the affected area, up to 3 times daily and allow to dry. May also be sprayed onto a clean dressing and applied to the cut or graze.

Children under 6 years: not recommended.

Format and Ingredients

Cutaneous spray containing per 1g:
0.2g tincture of Calendula (equivalent 0.10g Calendula officinalis)
