

Vizulize Dry Eye Mist

Uses

Provides long lasting, soothing relief for dry eyes and the surrounding eyelid area. Helps to repair and maintain the lipid layer of the eye's tear film.

Dosage

Hold spray 10cm from closed eyelids. Spray 1-2 times onto closed eyelids up to 4 times per day. Not to be sprayed into open eyes. Can be used without removing contact lenses.

Format and Ingredients

Eye mist containing:
Phospholipidic Complex 0.4g, Sodium Hyaluronate 0.1g, N-Hydroxymethylglycinate 0.006g, PHMB 0.001g,
